Dear SAU 21 Parents & Guardians:

First, thank you to all parents and caregivers for your continued efforts to keep our students safe and healthy as they return to school. In January we welcomed back in-person students in North Hampton (6-8), Seabrook Middle School, and Winnacunnet High School while continuing to support our remote students.

Caroline P Arakelian, Ph.D.
Interim Superintendent of Schools

David T. Hobbs, Ed.D.
Assistant Superintendent for Curriculum, Instruction and Assessment

Matthew C. Ferreira, M.S.Ed.
Business Administrator

Part of our commitment to you has been to assess and evolve our instructional models as safety, staffing, and space permit. In anticipation of Trimester 3, **which begins for our K-8 students on Monday, March 22, 2021**, we will begin looking at both remote and in-person enrollment throughout all of our districts to ensure the most robust programming possible. Specifically, we will be looking at the number of students returning from the Remote Learning Academy (RLA) and other virtual learning structures with an eye for capacity and staffing.

If you intend to continue the same instructional model (i.e. remote, in-person) for Trimester 3, you do not need to contact us. However, **if you would like to request a change (i.e. move from remote to in-person learning) as a commitment for Trimester 3, please contact us via email at the following email address(es) by Friday, February 19th, 2021.**

Based on the enrollment projections for Trimester 3, we will be able to offer a concrete picture of the in-person model in each one of our districts, or determine what (if any) structural changes are needed. We will solidify these data in February with the intent to formally share plans in March.

Again, on behalf of the entire SAU 21 administrative team, I wanted to thank you for your consistent support and responsiveness as conditions have unfolded throughout the academic year. Please don't hesitate to reach out to your district administration or the central office if you have any questions.

Sincerely,

Dave Hobbs
